SUBJECT: Comments on the Final Soil Sampling Results and Preliminary Risk Assessment for the  
North Ridge Estates Site, Klamath Falls, Oregon (September 28, 2004)

Thank you for your thorough response to comments on the previous versions of the above-referenced document. We reviewed the latest soil report and acknowledge the changes you made based on our earlier comments. At this time, we will require no further revisions to the soil report.

Please call me at 503/326-6869 if you have any questions or comments.
